

MAPIC Awards 2017

F&B and customer services join the red carpet line-up

This year's MAPIC Awards have been broadened to reflect the growing diversity of the retail real estate sector and the new players influencing the future of the sector.

THE 22nd MAPIC Awards will be presented at a gala dinner on Thursday, November 16 in the Salon des Ambassadeurs of the Palais des Festivals in Cannes. This year, the awards have been expanded to include 14 categories, with an additional Special Jury Award for the F&B sector, reinforcing one of the main themes of MAPIC 2017. A hugely experienced awards jury – headed once again by Primark group director of property, Tom Meager – and drawn from all areas of the retail world and all corners of the globe made the final decision for the best-in-class of 2017.

The categories for the 2017 event are:

- Retailer of the year
- Best Retail Global Expansion
- Best New Retail Concept
- Best Retail Store Design
- Best Leisure Concept In Retail Space (updated from 'retailtainment')
- Best O2O Strategy
- Best Pop-up Shop
- Best F&B Concept
- Best New Shopping Centre
- Best Redeveloped Shopping Centre

And, new for 2017, the Customer Service Excellence Award, in association with TRRAIN.
